The latest version of our XBOX 360 Model Chart includes the "New XBOX 360" which we call the Slim (even if Microsoft won't).

Does anyone know if the serial numbers on the Xbox 360 Console and the original power supply are the same? I have just had my machine returned from service and

can u change the 360 serial number because mine is . the serial number has nothing to do with xbox live. The serial number is for the sole purpose of . Search .

Where can I find Xbox 360 Wireless Controller serial number?
